Founded in 1999, the International Coalition of Sites of Conscience is the only worldwide network of historic sites, museums, and memory initiatives that connect past struggles with today's movements for human rights. With over 200 members in 55 countries, as well as dozens of global partnerships, we build the capacity of these vital institutions through member grants, networking, training, and advocacy. We are excited to invite institutions that are committed to our mission and the Operating Principles of Sites of Conscience, detailed below, to apply.

- In addition, **please email 4-6 photos that are representative of your work**, at no less than 1200 X 1800 pixels (300 DPI), to memberinfo@sitesofconscience.org. Ideally, we would appreciate a mix of still shots of your location and more action based shots with people engaging in activities.
